INTRODUCTION

1. The Indian Coast Guard (ICG) was established through the Coast Guard Act, 1978 with the motto “वयम् रक्षामः” (Vayam Rakshamah) translating from Sanskrit as “We Protect”. The mission of the ICG encompasses ensuring Safety, Security and Law Enforcement at sea, providing Search and Rescue services, and protecting the Marine Environment.
2. In the month of Mar 25, XXX NAVGUARD meeting between Indian Coast Guard and Indian Navy was conducted at Coast Guard Headquarters, New Delhi. The event underscored the commitment towards bolstering partnership and synergy between the two maritime forces.
3. In Mar 25, ICG ship Sachet was deployed on a Humanitarian Assistance and Disaster Relief (HADR) mission to Djibouti and Sudan. This operation aligns with India’s commitment to **"Vasudhaiva Kutumbakam" (The World is One Family)** and reinforces the country's leadership in humanitarian and disaster relief efforts across the Indian Ocean region and beyond.
4. In addition, ICG carried out notable Search & Rescue (SAR), Medical Evacuation (Medevac), Anti-Poaching and Anti-Narcotics Operations. The details of ICG operational activities undertaken during the month of Mar 25 are enumerated in this update.

B. Coastal Surveillance Network (CSN).

The Control Centre (CC) of CSN undertakes trend analysis of the coastal maritime traffic and maritime incidents in Maritime Zones of India (MZI) and Indian Search & Rescue Region (ISRR). The maritime trends and analysis are utilized for undertaking remedial actions and planning counter operations to enhance Maritime Safety, Security and Environmental Protection. The trend analysis (maritime traffic, fishing activity and maritime incidents) for Mar 25 is enumerated in succeeding paragraphs.

C. Coastal Maritime Traffic.

Indian Coast Guard monitored 20,510 distinct AIS transmissions on CSN network along Indian coast in the month of Mar 25. Traffic share of India, Panama, Liberia, Marshal Island, China & Hong Kong and Singapore stood at 37%, 05%, 04%, 03%, 03% and 02% respectively. The larger share of Indian flagged traffic is attributed to coastal traffic. Traffic share of Cargo and Tanker vessels are 16% and 10% respectively. The CSN detected large number of vessels at extended ranges due to anaprop conditions existing in the month of Mar 25. A total of 2,522 vessels were investigated by ICG ROSs. The state-wise, flag-wise and type-wise traffic pattern is depicted overleaf:-

COASTAL SECURITY/ SURVEILLANCE

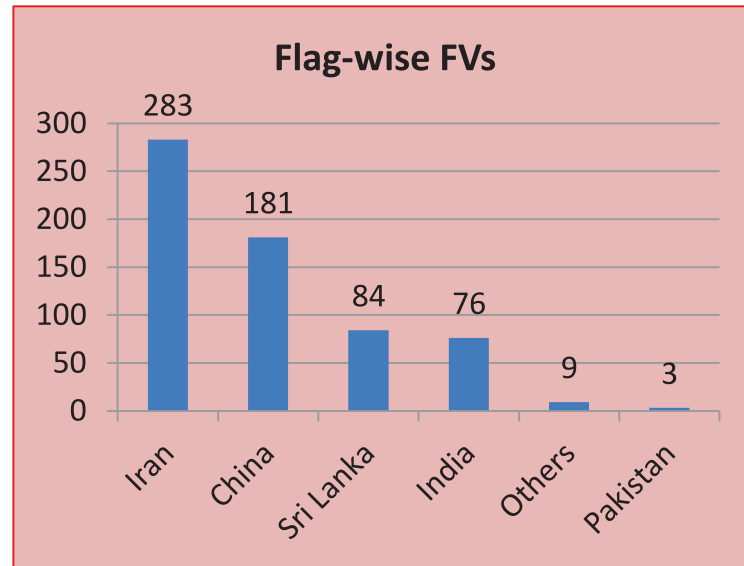

D. Fishing Activity in North Indian Ocean.

A total of 3391 Fishing Vessels (FVs) were observed transmitting on AIS in Northern Indian Ocean in the month of Mar 25. The analysis of fishing activities is based upon kinematics such as low speed. The data towards numbers of FVs have been garnered from AIS transmission. However, the actual numbers of FVs may be higher than the reported data as many FVs may not be transmitting on AIS. The area wise analysis of FVs operating in Bay of Bengal & Arabian Sea (beyond EEZ) and Indian EEZ for the month of Mar 25 is as follows:-

- (i) **Arabian Sea (Beyond EEZ).** Total of 636 FVs were observed transmitting on AIS and appreciated to be engaged in fishing. Out of these, numbers of Iranian, Chinese, Sri Lankan, Indian, Pakistani and

COASTAL SECURITY/ SURVEILLANCE

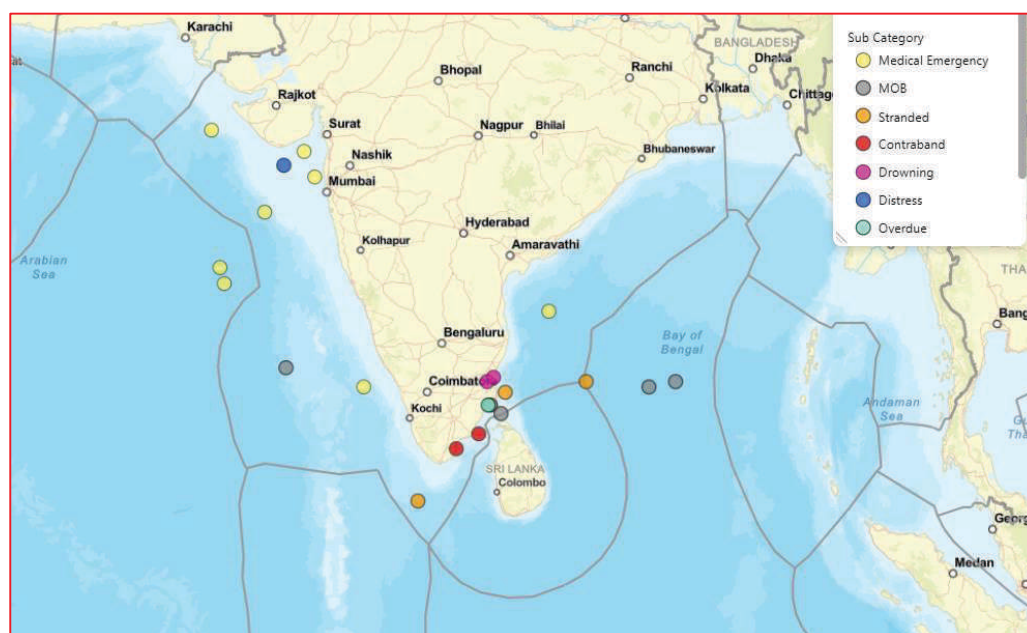

others FVs are 45%, 28%, 13%, 12%, 1% and 1% respectively. Six Chinese flagged fish carrier (Reefers) were observed operating in Arabian Sea.

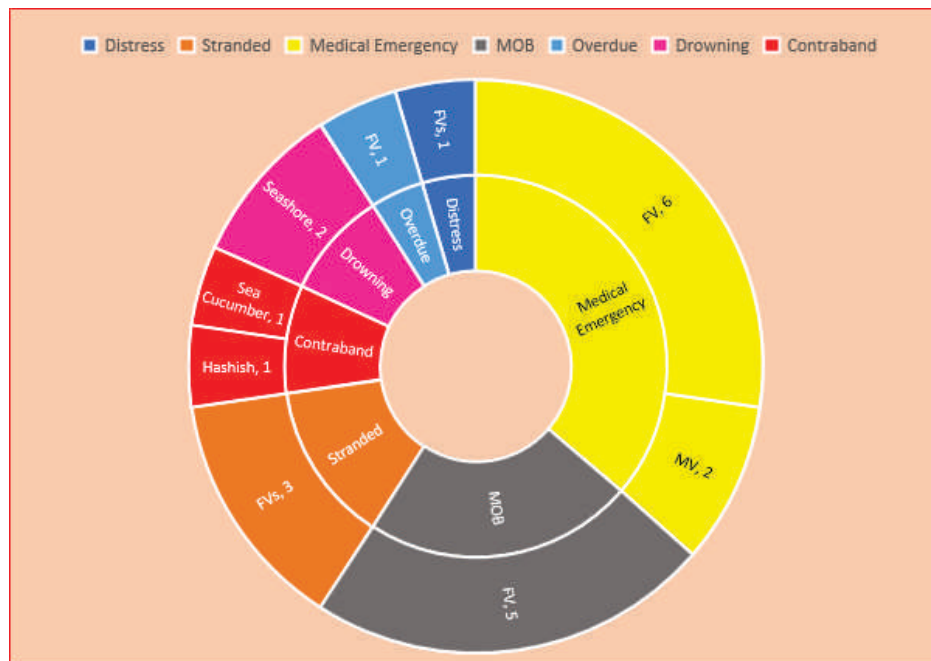

(ii) **Indian EEZ.** A total of 2664 Indian flagged FVs were observed transmitting on AIS.

(iii) **Bay of Bengal (Beyond EEZ).** A total of 69 Sri Lankan and 22 Indian FVs were observed transmitting on AIS and appreciated to be engaged in fishing. No other flagged FVs observed transmitting on AIS at high seas in Bay of Bengal.

E. Maritime Incidents & SAR Cases in Maritime Zones of India (MZI) and Indian Search & Rescue Region (ISRR).

ICGS Saksham visiting Antsiranana, Madagascar

New Delhi: The Indian Coast Guard's Offshore Patrol Vessel (OPV) ICGS Saksham, made a port call at Antsiranana, Madagascar as part of its ongoing overseas deployment to Friendly Foreign countries in the Indian Ocean region. This visit marks a significant milestone in strengthening maritime cooperation between India and Madagascar.

During the visit, the crew of ICGS Saksham will engage in professional interactions with the Madagascar Coast Guard, focusing on Marine Pollution Response (MPR), Maritime Search and Rescue (M-SAR), and Maritime Law Enforcement. Activities will include cross-deck training, joint cultural events, and friendly sports competitions. The visit aims to reinforce ties between the Indian Coast Guard and its Madagascar counterparts while showcasing India's shipbuilding capabilities, supporting the concept of 'Atmanirbhar Bharat'.

As part of its engagement, ICGS Saksham will provide specialized training to maritime agencies of Madagascar in Marine Pollution Response (MPR). This training will focus on effective strategies for responding to oil spills, chemical spills, and other forms of marine pollution. The training is designed to enhance the capacity of Madagascar's maritime agencies to ad-

dress environmental emergencies, ensuring a safer and more sustainable marine ecosystem in the region.

Additionally, 10 National Cadet Corps (NCC) cadets and 10 Assam Rifles personnel onboard ICGS Saksham will participate in Environment Protection activities such as Beach Cleanup and Awareness Programs in collaboration with local youth organizations.
